Patty Adkins & Tommy Mills lit a candle in honor of Cassie.

" Only time and tears take away grief; that is what they are for. " Cassie definitely was one of a kind and she is missed by lots of people that will continue to carry a little bit of her light within our hearts. "Grief is just LOVE with no place to go." Share that love with someone every day, think of Cassie when you do and that little light of hers will keep on shining.

Elizabeth Leighton lit a candle in honor of Cassie.

So many memories we made and shared. Some of them even had Mac in them and we laughed and cried through all of them. No matter what, we were always there for each other. Till we met again and make more memories I'll hold on tight to the ones we have already. I love you and those babies to the moon & back!
