My thoughts and prayers go out to the Booth family and friends. Pamelea was no doubt an amazing woman who brought love and kindness to everyone. But thankfully we are able to find comfort in Deuteronomy 715 where it says that God will take away sickness. Hopefully you are able to find comfort in this message

I am just heartbroken to learn about Pam. We were very good friends in high school and I am so blessed to have reconnected with her in recent years. My prayers for the family. My cousin's daughter worked with her and said she was so sweet and helpful especially when Dawn became a first-time mother. Yes, that was the Pam I knew -- always helping others and thinking of their needs. I am sad but at peace in the knowledge that she was a Christian and ready for the next journey. God bless the family during this time of mourning.
