I'm so lost without you but I keep kickin because with every breath I take, I have a beautiful memory of a love that most never experience and I'll be thankful for that until the time I see you again love.

Amy you will be missed dearly. You weren't just my bestfriend, you were my sister. You were my rock in our teen years. I'll forever cherish the fun times we had camping, swimming, horseback riding, fishing, 4-wheeling, and driving your parents crazy with our wild hair and makeup because I couldn't do that at my house!! Our kids were raised up together and I promise to watch over them and mom. Give dad a hug for me. RIP until I see you again.
