To my sweet Holley Family, I send my deepest condolences to each of you. Heaven just got a little bit sweeter. We will miss Uncle Paul as I called him his sense of humor his ability to quote Gods Holy Word like no other. His thunderous voice as he played John the Baptist to his countless voices he could portray but most his ability to love like no other and minister to a lost soul in need. I pray as you remember this week that through the tears and sorrow you find joy in the memories shared with each of you and that brings you peace in knowing his he is finally home and his pilgrimage here on earth and time is over but rest assured he is alive and renewed with our Savior! Love, Bro Dana Skipworth Florida

So many great memories I'm blessed to carry, from church fellowship, interactions in sport to his preaching, Paul Holley was a force. He was the embodiment of God's alpha type, carrying well his family, witness and talents, setting a high bar in many ways. Thank God his legacy will continue through the lives of his children and grandchildren.
