Jared was one of my most favorite people. He was a beautiful person, with such a kind soul. Ever since the day I met him, we were the best of friends. This world is a little more empty without him in it, but Heaven is rejoicing. I will never forget his infectious smile, and his goofy attitude. Every time I encountered him, I was left with a smile on my face. I will always remember him in that way. Prayers for the family in these hard times. With love always, Breanna.

Fly High dear young man. We cherished every moment we had here on earth with you. Your laughter or silence provided us comfort when we had none. You will be dearly missed here on earth by many, but as for this family we will miss you and cherish your memory you left us. Your footprint here on earth has not disappeared but will always remain in our heart. Love you bub. May God comfort your Momma and Zack. Love Aunt Berlie
