My papaw was and is the definition of godly man. He has taught me everything I know about god. I can definitely say I have the best papaw ever ❤️ anything I asked my papaw to do he would jump up and do it for me and anyone who asked him. He attempted to build me a tree house but we didn't have a tree so he just built it really tall but never got to finish it 😅 every morning for school we'd get in his red truck and he'd make us say John 3:16, the shortest and longest verse in the Bible and he'd say who do you love 1st and 2nd and we'd say Jesus then papaw. Being called sheabug will never be the same. I already miss you so much papaw but I know you're having the best time running and jumping around and talking to god. I can't wait to see you in heaven 💙

Uncle David to me was a male figure in my life that showed me what men should be like. His example of a kind heart, caring nature and sense of humor were the things that I loved most! I have so many memories and most were funny! He always left a smile on my face and Alex's. They had such a playful relationship. We will love & miss you always! We will meet again some day Uncle Dave♥🙏
