I've known Farfy since I was a young girl, her being good friends with my brother&sis-in-law, she was always ready for a chat when we ran into each other with a hug and asking how I was doing,we talked a lil on FB and shared words on our same health issues, I hadn't seen her online and wondered how she was and am so sorry I ran across this today, no more sickness, no more pain, may ya rest in peace.
