My deepest sympathy in your loss. Lee will be missed so much by all of us who loved talking with him. He made it a point to keep in touch through phone calls and notes with Just nonsense on them, I felt. so good to be able to talk with him no matter what it was about.....he talked about Aletha most He sure loved that girl. I wish Brad would have had more time with Ruth. They have been dating for around five months. She said it was the best five : month of his life. lee, you'll be missed so much. I will miss you !! Thanks for the time you spent with me ❤️,,,,,,
