Bill Jones is the best man I've ever met in my life. He's one of a kind that's for sure I've known him since I was a little bitty girl because of him and Aunt being together. Both of them are such great people and they've always been here for me no matter what. I have never met a couple who is more in love than my aunt bb and bill jones.

He was just the sweetest thing ever. We would come home and he'd have her cute little notes hanging around that he wrote. One of my goals in life is to have a man love me the way that he loved her. He absolutely loved my baby he called her papoose. The three of us will forever miss you, Bill Jones ☐

There are a lot of yellow semi trucks, but only 1 "buttercup the diesel truck". The roads down here won't be the same down here but I know I'll see that yellow truck in the sky. Rest in peace Bill dad. I love you so much.
