I can't find the pictures, but one of my fondest memories of Jaxon was when he & my special needs daughter both were at the Wave pool together! They were both shaded under an umbrella & both smiling from ear to ear having the best time. Shayna would crawl right beside him to let him know she was right there with him. (Cutest thing ever) Jaxon you are now in a brand new body! No more suffering, no more pain. RIP little man! I will keep looking for those photos. You are & will always be, God's little Angel.
