I knew Charlene from Highlawn Baptist Church. She decorated the parlor for my wedding shower, and baked the cake. It was so delicious. Prayers for the family

Sonny, so sorry to hear about Charlene. I was always happy to see her face during our times together. She was such a helper when we had class reunions and everyone welcomed her as if she was one of us. Your old neighbor in Thomas, Patty .

Working with Charlene's husband for years, I know she was the rock in their relationship. Harry was always close to Charlene and shared some stories with me throughout the years. Harry guided me though good work ethics and strengthen me during my working career. Charlene will be missed, and I know she was the driving force how they both created a nice life and family. I know the Wolford's has had a big influence on my life's journey. Charlene will never be forgotten. Sending Love and Prayers To an inspirational couple.
