We are saddened to hear of the passing of a longtime childhood friend of my husband's. I have heard oodles of stories of the shenanigans Roger and John got themselves into. Fishing and hunting always entered into the picture. After high school they both joined the Army together. Their friendship remained throughout the years and we will miss you. Thanks for always welcoming us with kindness. Our deepest condolences to your family. In loving memory John and Carol.

My goodness! I am shocked to see this! Roger and Janet lived across the road from my family for years on State Route 7. We had so much time together thru those years. I am so very sorry!
