I will always remember his beautiful soul and his smile. The last time we talked. I wanted to let him know I loved him. Even though we didn't talk or see each other all the time. When I was a kid Patrick and Jimmy Jr was the ones we kick it with. They made us laugh and feel at home when we first got there, watching Tom and Jerry cartoons just laughing the whole time. We was already tomboys so we just click right away. I want to send my love and and deepest condolences to his mom Patty, she was my cousin but more as an auntie to us. She didn't play. I have so much respect and love for her. She took great of Patrick and her husband Jimmy along with rest of her family. I want to give you your flowers 🌸 Patty for being so strong and never giving up. We love you Patty. Praying for strength and healing. We love you Patrick you will always be in our hearts. Rest in Paradise Cousin love you forever

Patrick will always be special in my heart. We grew up together as cousins, but we were close. He was a wonderful little kid, always smiling and loving. Him and his family will always be my family. He wasn't shy about telling you he "loved you". I will cherish his last hug, talking on the phone and those words. I love you! Diane

Javier Soliz lit a candle in honor of Patrick.

Sad to hear about my old friend from when I grew up in Huntington. He (and his brothers) were so cool to me, was always smiling and making me laugh. I still tell this story to this day how he called me out for my lack of rhythm lol and actually taught me how to dance. That's what a true friend would do.
