One day I may come to believe that you're really gone but you'll always be in my heart. You are the closest I've ever come to having a best friend and our childhood memories will always be mine.

I will always remember Donzie as the boy who lived next door when I lived in Aurora, Indiana. The boy who I went sledding with in a baby pool. I didn't get to really see him as we grew older. I spoke with Donzie not long ago. He said he was back and living in Aurora. He said he was getting his life together and told me about his children. I will always carry the very special childhood memories of him in my heart. RIP Donzie Hugs, love and prayers Jennifer
