## Joyce Hazlett

OCT 3, 1957 - AUG 2, 2018

Joyce Hazlett, 60, of Proctorville, Ohio, passed this life surrounded by her loved ones Aug 1, 2018 at the OSU James cancer center. Just like in life Joyce gave everything she had to fight her illness. Joyce was born, October 03 1957 in Huntington WV to Phyllis and Raymond Moore. She was preceded in death by her parents and a brother Billy Moore (Theresa). She leaves behind two sons, David (Sara) Spangler and Gary Spangler and very special Grandson Cole Spangler; brothers and sisters, James Moore, Janie (Ronnie) Ferguson, David (Jean) Moore, Diana Edwards, Jimmy (Tammy) Moore, Mike Moore, Judy (Tommy) Heffner and dozens of nieces & nephews. Joyce was a former nurse at St. Marys spending most of her years as a Neuro Nurse, where she made several lifetime friends. The family is following her wishes of no services. To celebrate her life, the family will gather in private in her favorite place in the mountains of Tennessee. The family would like to thank the many nurses and Drs from Ohio State James that worked so hard to help her fight her illness. She left behind a poem she wrote many years ago in her most prized possession and we would like to share it in her honor. Loves flowing in the wind Only pausing now and then Gently stirring passions in our mind Bringing back forgotten times Loves flowing through the trees Silently whispering through the leaves Breezing in and out of our hearts Replacing all the broken parts Loves flowing through the air Reaching out, calling us to share Opening doors closed long ago Enveloping us in a warm soft glow. Hall Funeral Home and Crematory, Proctorville, Ohio is assisting the family with arrangements. Condolences may be expressed to the family at [www.ehallfuneralhome.com](http://www.ehallfuneralhome.com).

I worked with Joyce on Neuro at St Mary's. She is one of the kindest, hardest working nurses that I have ever worked with. She cared so much about her patients and the staff she worked with. I always looked forward to her smile when she came in on evening shift to get report. The Neuro floor sends our thoughts and prayers to her family. She will be missed by all of us.

So sorry for your loss. The last 2 years have been a challenge for her. It seemed as though she would take one step forward and 10 steps back. During all of her struggles her concerns were never about herself but her family. Joyce's life was like that of a roller coaster and now the ride is over and she can now have the peace and rest she deserves. I will miss my dear friend.
