**Kim Watts (Bragg)** lit a candle in honor of Grover.

I have many wonderful memories as a child coming to your house to spend time with Heather. One of the best memories that I have of Grover is at Christmas time watching him wrap presents with perfection. Each package had to be measured, cut and taped just right. I always felt very welcomed by all of you and will treasure my memories. My heart breaks for your sadness and my thoughts and prayers are with all of you.
