Linda, I was saddened to hear of Nick's passing. Nick was so much fun to be around & always with a smile! It was about this time last year we ran into you & Nick at the food court in downtown Huntington & talked about a possible 50 yr. class reunion. I pray for peace & understanding during this time & I thank God for sending Nick to the earth.

Linda, my life is so much better because you and Nick came into it. I am absolutely heartbroken. I love the picture you chose of him. That's Nick. Those great, dancing eyes. What a gentle giant he was. I reckon he's hanging with the Rock Star now. I'm here for you. Just holler. Smooches! Jules
