Patsy Stephenson lit a candle in honor of Jeffrey.

Thank you for being a life long friend. Always being positive and telling me everything will work out. Always smiling and never letting your pain show. I believe you are standing and walking the streets of gold with John. Rejoicing with all who is there without pain, worry. What a Day that will be when my Jesus I shall see. We used to talk about being there, and now you are bless your heart. Love always
