Shirley "Sissy" Brumfield-Stone lit a candle in honor of Samantha.

Bobby and family, I am so sorry about Sam. There is so much to say--she was a fine person, funny, loving. She was a hard worker, fast and accurate. She was persistent-she finally got her R.N. after all those years of work. But most of all, she loved you dearly. Just keep that thought in your mind as you try to get through this. Do not let a horrible unknown destroy all she was. Hold tight to all 3 of your girls. They, and you, will need lots of love and help from one another. And if I can help, you know where I am.
