Janice Fay Fetty, 77, of Proctorville, Ohio, loving wife, mother and grandmother, went to be with the Lord from her home in Proctorville on Saturday February 13, 2021, while surrounded by her family. She was born on April 17, 1943 daughter of Ira J and Bertha May Mead. She was preceded in death by her parents and her sister Naomi Ruth Baylous. Jan was a beautiful and kind lady, my second Mom as I was growing up, really. And a good friend now that I'm grown. Kathy, my dearest friend and sister, share many memories -- it seemed we were always together, either at your house or mine. I always enjoyed reading the scriptures that Jan shared with her Facebook family and friends, and will definitely miss 'hearing' from her in this way. She's in heaven, with my Mom and so many others now. We will get to be together again, one day. I love you.

From Doug Kathy, please share this with your Dad. And, others, if you wish. Jan was a wonderful friend and colleague. She was a nationally known and respected expert in providing relocations assistance to those persons, businesses, factories, and nonprofit organizations required to move on account of government acquisition of real estate. She was a ground breaker rising from clerical positions to a professional position in a highly technical field. She was a valued, supportive and much loved friend. She was very proud of her family and never failed to remind us that she was a Christian and that we should be too. I will miss her.

Steve Shideler's lit a candle in honor of Janice.

My wife Shelly and I send our condolences to Jan's family. I had the honor of working with Jan at the Corps of Engineers. She was both a wonderful person and an exceptionally knowledgeable and competent coworker. She helped countless people affected by real estate acquisition actions for Federal projects navigate the relocation program and was a teacher and mentor to many. She will be missed.

My condolences to the Fetty family. Lord, thank you for my friend. I am thankful for the blessings and joy her bible verse posting brought me, enjoyed our fun luncheons our lady group had. You, Lord, are the Giver of all good gifts, and I thank You for Jan a true gift to this world and my friendship with her. Will miss you. RIP Paula Simpson

When I got the news of Jan's passing, I was just heartbroken. I worked with Jan for many years and was lucky enough to still spend some time with her at some of our girls night out lunches and dinners. She was a wonderful lady and always so kind. She will be missed. Prayers and much love to her family and friends. May God comfort you during this difficult and sad time.
