Going to miss running into you at unexpected locations and times but you always made me smile and happy to see ya. Our friendship grew as we got older even though we just lived 50 yards apart in our teens. We had some fun times and that Columbus unexpected gathering was one that I will never forget or dancing all night at the ICON. Sorry I didn't get to say goodbye but you would understand completely. Rest easy my friend and until the next time cheers!! See ya Rids!!

Gayle and Family Please know that you and yours are in my thoughts during this challenging time. I have such beautiful memories of your son as a bright eyed, charismatic, happy boy when he and Josh would play together as children. Although I know mere words cannot sooth your pain, please know that my heart felt condolences are being sent your way.

Had so many memories with Riddle & all his family. Spent countless days & nights at his house growing up. From babysitting for them with his sister Kim to the parties we always had great times. If he could not make you laugh then it couldn't be done. I pray that your sweet baby will always have someone to teach him all the memories & good times. Fly high my friend. May you rest in peace.

Words can't describe what David Bryan Riddle (AKA - Son) meant to our family, he was the best son and brother to Megan that I could ever imagine. Riddle was one of a kind, do anything for anyone, as I'm sure everyone will say. He is going to be missed by so many people. I wish we could have been there, but will always remember the last time he walked through our door with his wonderful smile and all the great memories that we all had. Rest in piece son, we love you with all our hearts and will promise to always make sure Carmen and Cade are o.k. As I know you would have wanted us to do.
