Brint, And Pam lit a candle in honor of Ernest.

Mike came over about 2 weeks ago, and had me fix his phone so it would play YouTube again. (Java was turned off I think) anyway, he wanted to hear this song. As it played he said 'Listen to the words' I was preoccupied doing something, and really didn't listen. After he passed, I played it again to see why he liked this song, now I understand.I hear the words now. Please listen to this song, and think of him. The Avett Brothers - No Hard Feelings.
