I saw this and was very shocked. I was a couple years too late. I'll always remember you. You are missed

Rick, I looked you up after years of not talking to you and this brought me to my knees. I can't believe you're gone brother. You were a true soldier in and out of the service. A real inspiration and motivation to us all. You and I had some great times together. My favorite Rick saying was "you can't stop a train!" You'll always be my best friend.
