Aunt Sissy you're missed and loved by so many lives you have touched. You don't know how badly I wanted to see you during your illness, but it wasn't possible because I stayed home so dad could see you. We had some wonderful times while I was a child and when I was staying in Florida. You have done so much for many people you call family and friends. This doesn't feel real but I know that you are at peace with our Lord in heaven. I love you more than you know!

Aunt Sissy, you were a joy to know. I loved your outgoing and outspoken personality. You and I were kindred spirits and I'm so glad that anytime I called we shared so many laughs. I'm sad that I won't get to leave you a birthday song this year, but I know we'll share more in the future. May God keep you until we meet again! Love always!
