This is so hard to hear, and even comprehend I don't know how much more loss one can bear But the Lord says he will not put more on us than we can take I have to believe this to be true! However it is very hard to swallow. My love and condolences go out to your family oh, I so wish I could be there for support! May God be with you all! I love you Shirley oh, I will see you again one day, thank you for always being such a lady, always so kind, and wise.
