Miss Pam and family, again we grieve together, the passing of your loved one, you were always there for Gary, Alan, and the rest of my family. You were always there when I needed you, I am so thankful for our friendship over the years and our school Reunions. The main thing I will always remember about you is you always accepted me for who I am, please let me know if there is anything I can do and keep in touch. Always be sure and say I love you because there is no promise for tomorrow.

Pam, Bob, Sharlee, Skeeter, Lisa -- just want to 'remind' you of how much I love Nellie. I want to say 'Carroll and Nellie;' they were always 'together!' I have thought of Nellie several times lately---not knowing her health condition. She is a special lady. I don't like to think of her not being in this life, but realize she has something so much better now. I am sorry I could not be with you today. Here's a hug for each of you--I love you and your families.

Sharlee, Pam, and Lisa- and all your family- I was so saddened to hear about your sweet Mom! What wonderful memories I have of being at your house! Your Moms cookies, her admonishments to us to be good, go to sleep, quit talking. I know you will miss her more than words can describe. I will always love you all!
