To the family and loved ones of Jeri. I am so sorry for the loss of this kind, beautiful woman, Her beauty was evident, but her true beauty radiated from her gentle, loving heart. She always greeted everyone with her lovely smile and kind words. I will always feel that I was more than a friend to Jeri and Dr. Clagg as I played matchmaker which led to their marriage. God's speed to a humble, loving servant. Linda Holmes

I am so sorry to hear of this. Jerri is a wonderful, sweet, tenacious, great-hearted person. We worked together at the RBA program - so many students benefited from her wise advice and support. A true gem of a human being.

I wish to extend my deepest sympathy to Jerri's family. Jerri made my way through the RBA Program flawless. I enjoyed the long talks and advice from her. She will be truly missed. Her smile lit up the room.

Andrew Gooding lit a candle in honor of Geraldine.

Jerri was one of the first people I met at Marshall as she was just down the hall from my office. About 12 years later I got the chance to work with her in the RBA program and I really enjoyed getting to know her better. We just saw her a couple weeks ago when she stopped by the RBA office and we were hoping to go to lunch with her in the near future and catch up more. She was a wonderful colleague and friend and I'll miss her very much. Best to all of the family, especially Taylor who went to preschool with my kids. -- Andrew
