Thanks, Jeff, for your friendship when I lived in the park. You sure helped me get thru during those winter evenings, watching a movie, listening to CDs or just sitting around talking. You were such a hoot sometimes! And those looks you'd give me sometimes! Lol! It sure was good talking to you on the phone a few months ago. Wish I could have come to your place and visit again, but you know how it is. Keep that guitar tuned, and sing in the angel's choir. Until I see you again, RIP, buddy. Peace out 🙏
