Sarah and Matthew no parent should ever have to let go of a child this way.. I know why my parents always said that parents should go first. I can't image what you all are feeling. The news came as a shock to us all. Sarah, Matthew, Scarlet and family you are all in my thoughts and prayers. There isn't anything that anyone can say or do to help with the healing process just know that you all have family and friends that are always there for you . Love you all

Haley was a great friend and she always listened to me when I had something to tell her. She made me feel so much better when I was feeling sad. She was a friend when I had nobody else. She took care of her daughter better than most mother's that I know. She loved Scarlett so much. I'm going to miss her a lot.
