To all the family My condolences to each and every one of you. I never really got to know Victor that well but what I did know he was a very nice person and he loved my Sister. I have no doubt he is with her now re-untied in a beauty that we can't even imagine. I send all love to each of you and if there's anything you need please let me know. He is with God now and surely in a better place. Love Debi

Chuck, Shane, Trisha and Anthony...I am so sorry about the loss of your father. I know how difficult it is to lose both parents so close together. I am so sorry that my situation at this time does not allow me to be there for you all. I loved your father very much. He was the love of my sister's life. He was kind and gentle and supportive. I remember when Brandon came and spent the summer. He had got injured and your dad was quick to react. I trusted him with the life of my kids because I could tell he was such a good man. I hate that I am moving at this time I want us all to get together. And celebrate his life. Please contact me. At 740. 618. 3473. I want to arrange a gathering. In the memory of your father and your mother. I love you all very much. It pains me that I can't be there with you. Today. You are in my thoughts and prayers. And every day that follows. Please know that you can contact me if you just need to vent. Much love, many prayers and hugs. God bless. Your aunt, Brenda Kay.
