In the 60's we spent many hours together, your house, our house or church. You loved to take Trigger out to the curve and come flying back toward the house. Will miss you at the family reunion too. Tell your and my Dad hello; they were like brothers for so long. To all the family, I'm sorry, we've been there too. I'll see ya Ricky before too long, save me a seat by the river.

Another memory. Rick and David played for the Rejoicers singers. My late husband Johnny Haney was their bus driver . They went and sung with the Kingsmens.

Rick was a great man. He is singing with his mom, dad, Ronnie and alot of his family in heaven now.He got to see Jesus and all his family. He is in no more pain now. I will pray that God put his big arms around all of you. For comfort. I know what you are going through. My Johnny has been gone 16 years. Love and prayers for the family.

Uncle Rick will missed by many, I'm so grateful that he is no longer suffering. He is with our Savior and many loved ones that had already finished the race. I have lots of good memories spending time with him and his precious family through the years...Camping, Family get togethers and Holidays on the Farm, but mostly Church and his musical talent that he used to worship the Lord ❤️ Continued prayers for Martha, Melissa, Rick and families Love, Kara Jean

I never really spent much time with rick. But it does pain me that this happened. I will never forget setting there at granny's listening to the beautiful music uncle rick made on his steel guitar. Rest well uncle rick. I know you and frank are up there riding the golden road on your bikes
