I'm so sorry to hear this. He was a great man and my memories of him are vivid. The first time I met him was at the ball field. I was sitting on the inside of the fence watching Michael play junior high ball and he leaned over and threw pop corn at me dropping one at a time. He was always smiling, always making me feel welcomed in their lives, always extending kindness to me. You will be sorely missed.

I see Dale every day. His handiwork is all around me. He graciously carved out our little homestead in this valley long ago. It was a true labor of love & investment in our future. It's where we planted ourselves & raised our families & if God wills, it's where we'll finish. What a man & friend. What an imprint on our lives he has made.

We will be forever grateful! He will be sorely missed. Much love to the family. Sincerely, Mark, Angie, Cam, Casey, Eric & Bec
