Q: What will you miss most about Carl? A: Bernard was a caring man who loved God and going to church .He would always be giving herbs and suggestions to help Gary {his brother} breath better. We liked hearing his funny stories from his years at SAS Rubber, years of hunting and how much he loved living in the {holler}country. He will be missed....

RIP Uncle Bernard. I remember you telling us when we were little that you made us fried "chicken" but after we ate it you told us it was really rabbit cuz you knew we wouldn't have tried it...lol. You continued to tell that story and still laugh about it all these years later. Glad you are at peace and at home in heaven. With love your niece, Donna.

R.I.P Uncle Bernard. I remember going to your house in Painesville when I was younger. Also sering you at Mamaw's house when we all went "down home". I used to hear my Dad talking to you on the phone quite often. You would always ask how each one of us kids are doing and what we're doing! I'll miss you.

I miss hearing the phone ring and hearing your voice and our talks about the deer and birds in my yard. You would always finish our talks with "God bless you, I love you, goodnight, never saying good bye. So God bless you, I love you, and goodnight.Love your sister Phyllis and family.
