It's sad when a big family grows apart due to distance and life. I'm so happy that I reconnected with my cousin, Joe, a few years back and got to meet his wife, Chris. The one thing I observed immediately was how much Joe loved Chris and how much they respected each other. I wish I would have had more time to catch up, but God needed him more. My thoughts and prayers are with Chris and the rest of Joe's family. ❤️🙏
