Sherry was a dear friend, classmate and neighbor to me. We had gone to school from the 7th grade they high school. I and my ex husband introduced her to Don. This is breaking my heart. I loved that sweet girl. What great memories we shared! She loved her parents and siblings. Her kids were her loves and her pride. Please know the family will be in my prayers.

Working in the funeral profession it saddens me to share the lost of a dear classmate and friend. Sherry was with me on the passing of her husband just a short time ago. It's hard to believe we talked about doing things together and remembering our school years soon. Yet to learn of her passing. I lived Sherry and will always remember our fun times together. God Bless her family. I love all.

I am deeply saddened and so sorry to hear of Sherry's passing. I grew up in the same neighborhood she did. She had a wonderful Mother and Dad, and siblings. I believe she was the youngest. I can remember the Rudd girls as being so beautiful. I know she will be welcomed in heaven with loving arms, but she will be so sadly missed here on earth by all those who loved her. Sending prayers and love to the family. Jeanne Sizemore Speakes
