Albert (Mr. Baker to me) was a great boss. He gave me a job right out of high school. I was the first gal to work in the parts department. He was a wonderful man with wonderful laugh. I know you will miss him terribly. I pray God will fill you with his peace. May you find comfort in your wonderful memories. Belinda Edwards Trainer

To the Baker family I'm sorry for the lost of your husband, father and grandpa. He would always joke around when I was a little girl when I went in to the parts department concerning Daddy. Albert an my father (Leland Keeney and my Uncle Larry Keeney) worked together at Gallagher Ford for many years. I've often wondered how he was doing. The last time I had spoken to Albert was when my father passed in 2013. Please know that my thoughts are with you during the difficult time. Blessings 🙏🌹
