Harshbarger David lit a candle in honor of Cortney.

The worst vacation I ever had was with Cortney. A roach motel, the ubiquitous stench of garbage, constant bickering , and a car crash with the windshield of the rental being smashed in on us. I think we had to take a break from each other for about a month afterwards. But, we were able to salvage a good amount of inside jokes from the wreckage of that vacation. I wouldn't change it for the world. I'm going to hang on to those memories for the remainder of my life. I just wish we would have had more time to share other horrible experiences together. And get some inside jokes out of those experiences too.
