My condolences to Sally's son and daughter and to their families. Also to Sally's closest friends who stayed with and cared for her during her illness. Sally and I went to school together from grade 1 in the old Saunders school to graduation from Barboursville High School in 1965. We went to church together at the old Macedonia Baptist Church and I was welcomed in her home by Virgil and Ruby. I lost contact after her and my marriage, college, work and all that. I loved the inspirational messages she posted on Facebook and copied and sent them to my daughter who was and is still struggling. I miss her very much, but I know she is at peace.
