Oh how I'm going to miss her. Catherine started out as my boss at Marathon and then she ended up being my mom. Very sweet and compassionate no matter the situation she was always there for me. Whenever I needed to talk she was there. A true heart of gold. She helped me to stop drinking and got me saved and baptized in 2016. She gave me away at my wedding in 2019. She meant more to me than my own family. I no she will be sadly missed but never forgotten. Fly high momma and give my momma and daddy a hug for me I will always remember what you have done for me. Love you always.

Catherine and I became friends 43 yrs. ago and we always kept in touch by phone, lots of letters, cards, visits. We called each other sisters. My world will be different without my only sister. God blessed us when we first met. We have been there for each other. My dearest friend, we will see each other again one day. Then we will have alot to talk about. I have many wonderful memories of "us". Love, Theresa
