Such a wonderful, kind man you were. You loved your family so much and so well. I'm thankful to have been privileged to know you and witness the huge love you had for Debbie and your sweet grandkids. Thank you for always being so kind to me and talking with me whenever I was with Brandy and the kids. Keeping all of them in my thoughts and prayers, and may their memories of you and their times with you bring them some comfort. Rest in Peace, Rick.

Our family also spent many years with Rick, as he was called at the time. My parents just looked him. He had that long white beard. Omgoodness the stories... Rick was the only person from down home I wanted to see before I passed. I'll see you soon. The Fife family

Dicky is my uncle and I love and miss him so much already. When I was little he would hold my hands and I would walk up his legs and do a backflip and he stayed with us one Christmas and he even played Barbies with me. He was loved so many.
