Candace... I can't believe Tyler passed. He was truly a good guy! I thought of both of you as 'my kids' all the years you were on bus 13. I actually had looked on FB a few weeks ago to see if I could find either of you and see how life was going since graduation. It breaks my heart that this is how I find that out. You have my deepest sympathy and sincerest condolences for the loss of Tyler. You are in my thoughts and prayers.
