Although I cannot hear your voice or see your smile no more, our mother walk's beside you still as she did before. She listens to your stories and she wipes away your tears, she wraps her arms around you and she understands your fears it's just she isn't visible too see with human eyes, but talk to her in silence and her spirit will reply. You'll feel the love she has for you ,you'll hear her in your heart. She isn't with us now we know she is in heaven we will miss her but we will never forget her she will be dearly missed I love you mom I can't wait to meet you in heaven one day Tammy Edwards
