You always brightened my day when I went through your checkout lane. I sent you a gift basket for Christmas and I hope it came before you fell ill. I asked about you today and they told me you had passed. I will miss you in the checkout lane and walking your little dog out in front of your house. You always had a smile. I'll miss stopping to chat. RIP. Eric and Bobby

There were so many memories about Ms Robin I am raising my grandkids and it's so hard but Ms Robin would tell me I was doing an amazing job with these kids and she was so proud of me and every time I had the kids to the store she would hug them so tight (which meant the world to me) she is going to be so deeply missed

Robin was a beautiful and kind person. Her smile and hugs will be missed. She had a heart of gold and never complained about herself not feeling well or sick. She was a close friend with our son Dustin who worked 12 years at Kroger with Robin. The love Robin gave away to us is a treasure forever in our hearts. Love you Robin and will miss you. Dustin and Amy Mayse.
