Chase was always such a fun sweet boy. I remember my Mom taking us to a concert and he rocked his little heart out! According to him the Little River Band was the greatest band in the WORLD!! He was always making us laugh. Im so incredibly sad you are all going through this. I'm sending you all my love. I know Bobby was right there at the gate to get him and they're probably being goofy and causing trouble up there together. Christin McKnight Hughes

Me and chase were close as kids but we grew apart as we got older but those memories of us will always be close to me riding our bikes together running around in the creek sneaking and playing gta I'll miss him

Chase was so much a part of our family. He always found a way to make our day better. Jaden and Chase are brothers that's what he always said. We are family. We love you Chase. Until we meet again. Mary, Jaden, Miranda and Mikey
