Where can I start! I just cannot grasp this yet. We share so many memories from childhood on. Today would have been my jab day to you. You being the OLDER one today and you would remind me that I will catch up later this year. All these little things add up. I know though you are happy to be with Ronnie, Aunt Nellie, Uncle Rex, Patty, Richie and all the family. I just know you will be missed so much.

Mom and I were just talking to Carolyn Saturday, she was reminiscing about the old days , having the haunted house, the boys playing together, Ron and Phil Wiley, dad scaring people so bad they peed their pants. She just laughed and laughed, together we all laughed, it was great memories, I will definitely miss her and her laugh
