God's Perfect Plan was written for each of us in the Book of Time before time began. Nancy, this precious life, friend to many, known well to those who she helped is remembered today with a special love. Through her quilting, her gift of talent was realized by many as especially done for them. She is fine now. She has received God's Greatest Gift; He has taken her home to allow Him to watch over her now. He knows many were watched over by her while she was here. Our love and respect for her does not stop now. It will go on and don't be surprised when you find yourself wanting to call her to share something or tell a story. God blessed us all with her and a unique beauty, patience, understanding and a caring which will continue with all the good memories. She made her mark on all those who knew her and that will remain. She has no doubt heard those wonderful words now, just for her, "Welcome loyal and faithful servant, job well done, your home now. To the rest of my family in Proctorville, Chesapeake, and Huntington, being a distant cousin, the son of Max Davis, nephew to Jim and Betty, cousin to Nancy, Mike and Jimmy, please know you're in Marlene's and my heart. Junior, in Marlene's words, "You're the BEST! Believe what she tells you! To Chris, Jimmy, Carol and Mike, your names are on God's ears from our house. As you might remember in '99, I was in your situation after 28 years of caring for an Angel. Let me assure you, they are not really gone, they are just a thought away, and as time goes along you will know what I have learned. God trusted me with one Angel, I didn't know he would trust me with a second one! Our love, prayers and good memories are with you, and we are only an email away, or phone call away, but most of all we are with you now, you just cannot see us! Love and peace be with you all now. John (Jack) and Marlene. God continue to Bless you now and forever!

Dear family of Mrs. Nancy Jane Rowe. I am sincerely sorry for your loss, and just wanted to express my deepest condolences; and hopefully words of comfort. God knows well how much our hearts grieve when we lose a dear loved one. In His word the bible at Acts 24:15, He comforts our hearts regarding them. In the bible it says, "There is going to be a resurrection." So there is a real hope of being reunited with your dear loved one again. May this beautiful and true hope bring comfort to your hearts. Sincerely
