Annette was such a sweet , kind and fun lady. She was a great friend, even though I had only known her for a short time. She made me homemade chicken salad twice when I couldn't hold down any kind of food when I was sick. But was able to eat her chicken salad. I was blessed to have known her.

When I was very young I use to climb up beside my netnet and put my head in her lap and she would play with my hair until I would fall asleep.. she always had a way to make you feel loved and special... she will be missed by so many but we all know that their is a celebration going on in heaven when she got to the gates by Uncle Chuck and Nanna.
