I had the pleasure of working with Randy in the dialysis center. He was such a joy to be around. We would crack jokes early in the mornings, and he would tell me stories of all of the civil war reenactments he has participated in. Randall was a good human. Im grateful to have known him and care for him for a short period of time. I will miss seeing my buddy around.

We attended Thomas Memorial Freewill Baptist Church together as kids and young boys. He was always to kind hearted and soft spoken and such a Godly man. We also spent many days at the Guyandotte boys club on the basketball team, playing ping pong, pool, and flag football. Rest in peace in our heavenly fathers arms my friend.
