This is so heartbreaking to hear. I have known Sammy since I was in 3rd grade, my childhood would definitely not have been the same without him, and his brother. Almost every weekend was spent with the Johnson Boys. We had many fun times and got into some mischief, but it was all in good fun. Sammy will always hold a special place in my heart, along with Samp, Kathy & John. So sorry for your loss, he was a good man.

I used to chase Sam around on the playground in kindergarten. He was always smiling or looked thoughtful. I remember his Hawaiian shirts in 7th and 8th grade, how much he loved the Smurfs, and never could tame that cow lick! My heart is heavy with his passing. Feeling this heaviness for his family, especially. Praying for all of you through this time and beyond.♥
