To my Uncle Jeff,It broke our hearts to lose you, but you never went alone, for part of us went with you, the day God took you home.I'm thankful that God sent you to be my uncle, even though you were more like a dad to me. I'm thankful for the long-lasting memories I will forever cherish. You were one of the great ones there's no doubt about it. I wish we had more time to share. But I have to remind myself that this isn't goodbye, it's just see you later. Love you forever and always, Chels

Jeff , you were my Brother, the only one I ever had or would ever want. Family was so important to you. . You always made sure your family had what they needed even if it meant putting your wants off for a while. You laughed and smiled probably more than you talked. I want to thank you Ramey for treating my 2 daughters like your own because you didn't have to but you chose to . I am grateful . You have left a void in our family that will never be filled. We will all keep memories of you in our hearts forever . We are all shocked , saddened and broken hearted . You are loved and missed so very much ❤️ ❤️ . We will see you again when it's our time to go Home . Until then we will cherish your memory always ❤️
